**Affiliate Program
Step-by-Step Guide**

2021

This guide explains Getsafe's Affiliate Program commission models and simple signing-up options.

HOW MUCH WILL I EARN PER SALE?

Getsafe has two commercial models in place and our partners can select the one they prefer for their brand and customer needs.

Model 1 - Standard Affiliate Model

This model is perfect for companies looking to boost their sales revenue through an additional value offering to their customers.

Fixed commission per each valid sale
£30.00

Model 2 - Special Incentive

The commercial structure combines the CPA for partner and special offer for the resident. This structure works very well when our partner wants to offer special discounts.
